Welcome to Summerwood Elementary and Middle School!

Our mission is to guide and support the development of the whole child – socially, emotionally, intellectually and physically – through the Montessori teaching method. We believe each child is like a little seed, full of potential, and in need of nourishment in a well-prepared environment. Our stimulating, organized classrooms offer a wide variety of hands-on Montessori materials which children utilize independently, individually and in small groups, under the careful guidance of our well-prepared teachers.

Back to School Night

Back to School Night will be held on **Wednesday, August 29th, at 7:00p.m.** We will begin in the auditorium with an introduction of teachers, and a few of our representative from various committees.

We will have 15 minute training on SchoolSpeak. For more information on SchoolSpeak, refer to the attachment.

After our meeting in the auditorium, we will have two twenty minute sessions in the classroom. This will allow our teachers to inform parents of their expectations for the school year. These two sessions will be separated by a five minute passing period which allows parents to navigate their way to another classroom.

Subject: ***PEANUT ALLERGY ALERT***

Message

We have several students in different grades who have **severe peanut allergies**.

Contact with peanut residue on tables or peanut butter slightly smudged on a doorknob is enough to trigger serious respiratory reactions and may be fatal to them.

Because protecting our children is a top priority, we ask you to please refrain from sending peanuts and peanut products to school. This includes snacks & candy, lunches, potluck dishes for class parties,
